

# LiveText

All individuals seeking admission into any ODU Teacher Education Program upon enrolling/registering for their first Education class are required to purchase the Standard LiveText Student Membership to create/develop the Web-based Portfolio Assessment System approved by the ODU Teacher Education Council. In addition, any student taking a course at ODU in which the instructor requires the Web-based Portfolio Assessment System will be required to purchase this system.

The initial membership offers full access to LiveText the entire time the student is enrolled in an educational institution, plus one additional year after graduation. After the initial membership expires, the individual may renew it on a yearly basis. The Standard LiveText Student Membership can be purchased either from the ODU bookstore or <http://c1.Livetext.com>. You do NOT need to purchase the subscription with Discovery Education (DE) Streaming. Make sure to register with your official ODU name and your UIN.
